Samoon Excellence Coaching Centre — (SECC)

SECC

About

Samoon Excellence Coaching Centre (SECC) is an initiative of Samoon Foundation dedicated to empowering talented students from remote and rural areas of Uttarakhand. Many bright minds in these regions lack access to proper guidance, quality resources, and career counselling. SECC bridges this gap by providing free morning and evening coaching, ensuring that students can attend regular school during the day while receiving extra academic support and mentorship.

Vision

To create an empowered generation of rural youth with the knowledge, skills, and confidence to achieve their dreams and contribute positively to society.

Mission

Our mission is to provide quality education and personalised guidance to meritorious students in rural areas, enabling them to excel academically and prepare for competitive opportunities. Through dedicated coaching, career counselling, and value-based learning, SECC strives to shape disciplined, confident, and socially responsible individuals who can bring positive change to their communities and beyond.

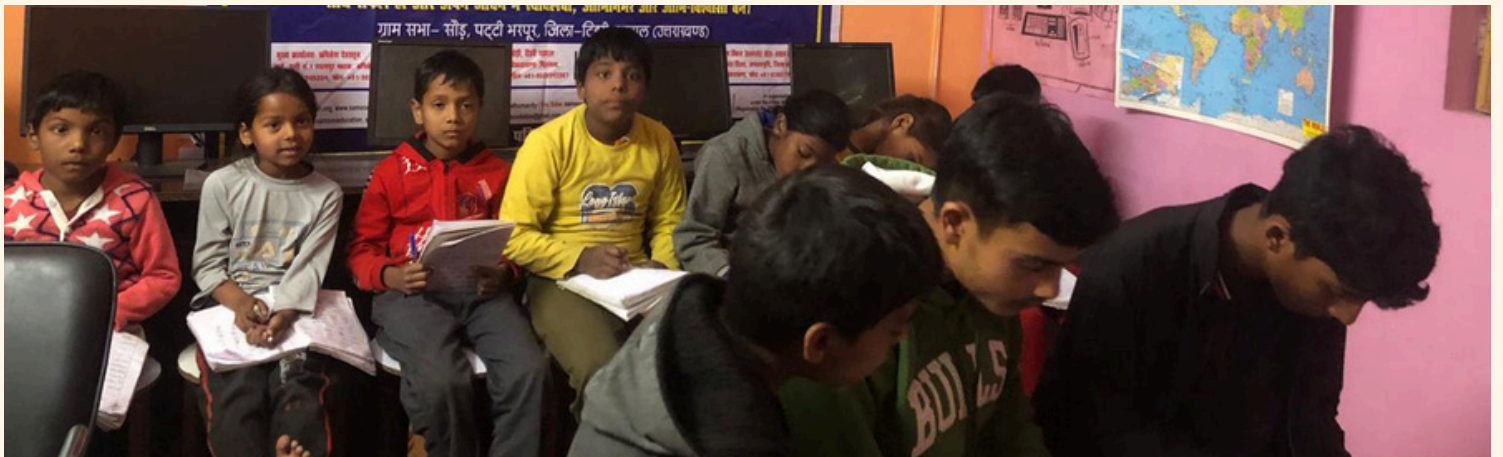

Our Goal

The goal of SECC is to ensure that every talented student from rural and remote areas of Uttarakhand gets equal access to quality education, guidance, and opportunities. By strengthening their academic foundation, enhancing their skills, and building their confidence, we aim to prepare them not only for school success but also for competitive exams, higher education, and meaningful careers, ultimately contributing to the upliftment of their families and communities.

Samoon Foundation proudly inaugurated its first Excellence Coaching Centre (SECCo1) on March 10, 2024, in Sour, Patti – Bharpoor, Tehri Garhwal, marking a major milestone in its mission to empower rural and underserved communities through education and skill development.

This initiative was established to address the educational gaps in remote regions by providing structured and high-quality coaching to individuals who otherwise lack access to such resources. The centre currently benefits 75 students from nearby villages, offering them academic support, skill-building opportunities, and personalised mentorship.

Under the able guidance of Trainer Vijendra Kumar and the dedicated oversight of Program Coordinator Dhirendra Rawat, the centre ensures a nurturing and effective learning environment. Situated in a geographically and economically challenged area, SECCo1 stands as a beacon of hope for many—promoting personal and professional growth among youth who aspire to build better futures.

With this step, Samoon Foundation reaffirms its commitment to inclusive development and envisions expanding such initiatives to more remote regions, creating a lasting impact and opening doors of opportunity for generations to come.

Samoon Foundation has taken another meaningful step toward rural educational empowerment with the inauguration of its second Samoon Excellence Coaching Centre (SECCo2) in Village Mankatiya, P.O. Man Soun, District Pithoragarh – 262521 (Uttarakhand), a strategically located region near the India–Nepal border.

Officially launched on June 02, 2024, the centre provides after-school coaching to 100 students from nearby villages, ensuring they receive academic support, personalised guidance, and counselling to help them excel in their studies. The centre operates in conjunction with the Shaheed T R Kohli Library, giving students access to a wide range of books and reading materials that encourage knowledge building, curiosity, and self-learning.

Under the dedicated guidance of Trainer Ms. Sonia Kohali and with program coordination by Mr. Sunil Kohli, SECCo2 offers a disciplined, motivating, and supportive learning environment.

This initiative reflects Samoon Foundation's unwavering commitment to bridging the educational gap in rural areas and shaping a generation of confident, capable, and socially responsible youth.
