Uniforms Distribution

FOR A BRIGHTER TOMORROW

Samoon Foundation's mission to provide school uniforms to **10,000+** underprivileged students across Uttarakhand. Many children in remote areas struggle to afford proper uniforms, which affects their

confidence and school attendance. By ensuring they have access to this basic necessity, we aim to promote equality, boost their self-esteem, and encourage regular schooling. Through collaboration with schools, local communities, and generous supporters, we strive to remove barriers to education and create a brighter future for every child.

The objective of this uniform distribution program is **to provide equal educational opportunities to all children, boost their self-confidence, and encourage their dedication toward education.**
